

### Some useful information for participants

#### Meals

Since workshop is free of charge, meals are not provided by the organizers (except for the invited speakers).

There is however the possibility to eat at Mensa (university's dining hall) located close to the workshop venue for all participants. See the campus map below.

Food options can be found on: <https://www.sw-ka.de/en/essen/?kw=38>

For non-KIT participants: Cash payment is accepted at L6 Update and Cafeteria.

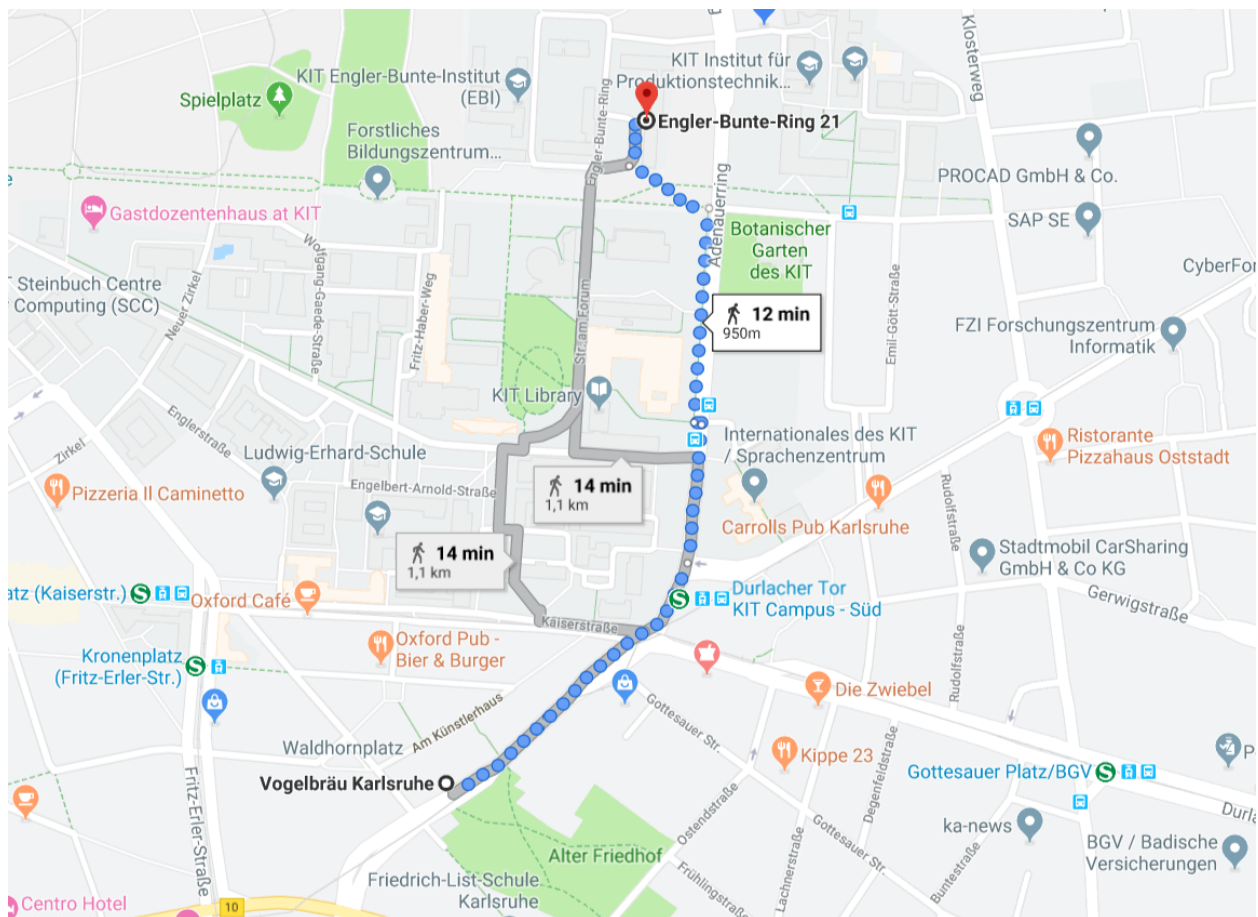

## Dinner on Monday 16.09

A number of seats are reserved for dinner in Vogelbräu Karlsruhe (Kapellenstraße 50, 76131 Karlsruhe) from 20:00.

This reservation can be taken by those participants who have **registered for dinner** (the registration was conducted on a first come first serve basis and closed in mid-August due to limited capacity).

We will provide the reservation but the food and drink is at the expense of participants (except for the invited speakers).

The directions from the workshop venue can be found below.
